Asian Awareness was a club designed to increase the interest and knowledge about peoples with various Asian backgrounds and cultures. The members took an active part in several activities throughout the school year, such as the sale of Homecoming balloons during the Homecoming football game and attending the Rich Little TV show at NBC studios in Burbank. The balloon sale may have set a new tradition. The group patronized various Asian restaurants in Orange and Los Angeles counties. Advisor: Ms. Marietta Shigekawa

Decathlon Wins Several Awards

Decathlon: L to R: Robert Ridgeley, Tom Brannon, Carole Strunk, Mr. Nielsen, Pat Hughes, Sue Choti and Chris Barr

Six students competed in the Orange County Decathlon tournament at Costa Mesa High School, at which Chris Barr won his division and was awarded a trip to Sacramento. Mr. Stuart Nielsen, the advisor, accompanied Chris on his one day visit to the state capital. The Decathlon is an annual event for students who want to compete academically in three divisions—honors, scholastic and varsity. Pioneers participating were seniors Pat Hughes, Sue Choti, Chriss Barr, Carole Strunk and juniors Roberta Ridgeley and Tom Brannon. Advisor: Mr. Stu Nielsen

NHS, Good News Club Had Several Functions

Western's chapter of the National Honor Society this year worked in conjunction with several ASB and ICC activities including the Bicentennial Fair and the Christmas Tree sale. In addition to these functions the Society planned various field trips for its own members, and again this year held an induction where new members are officially initiated into the club. New members are chosen on the basis of Leadership, Scholarship and Character.

The Good News club sponsored the band "Bethlehem" which performed contemporary Christian music at noon in the student park. Weekly Bible study and prayer groups were conducted by a representative from the "Fire Escape," a Christian coffee house. Special meetings were held in the Forum at noon. The group also participated in a Maranatha Festival at Knott's Berry Farm. Several car washes were held for fund raising purposes.

The Thespians had two winners at the California State, Long Beach, Drama Festival. Randy Skretvedt won the Best Actor award and Gary Parkhouse the best supporting. The Westhi group also traveled to Valley College in Los Angeles for a Drama competition

This year the Thespians performed several plays on campus, one of which included Skretvedt's original, "High School and Other Insults." The final production was "The Rainmaker". In addition to their many performances, the Thespians raised funds by selling "You Bug Me Rocks" and their "St. Patrick's Green Bagel Sale." Advisor: Mr. Doug Phelps

FBLA Group Competed in Business Events

The Future Business Leaders of America was an active group this year. The Group competed in a district-wide tournament and in other business and typing events throughout the county and state. The FBLA'ers held regular meetings to study new business methods and trends. One of the main topics was the inflationary factors in the U.S. economy today. Advisors: Mr. Richard Hipple and Mr. Don Crosby.

Girls' League Gave Traditional Service to School Activities

This year, Girls' League was again the sponsor of many activities and traditions, such as the Homecoming Mum Sale, the Christmas Formal, the Valentine's Day Carnation Sale, the Chocolate Easter Bunny Sale, in addition to many service projects for the school and the community. Club officers were Julie Darr, President, Georgeann Sudbury, Vice-President; Kathy Holder, Secretary; and Patti Pole, Treasurer. Advisors: Mr. Richard Parks and Mrs. Kathleen Cummings.

The MGM program (Mentally Gifted Minors), a state funded project, was active in different fields of education. The students made field trips to the Getty Museum and the University of California, Irvine—in addition to making several television productions of campus activities. They also attended dramatic readings and had guest discussion speakers.

One of the MGM's biggest contributions to Western students was the Wednesday lunch showing of classic films of former stars such as Charley Chaplin, Laurel and Hardy and Buster Keaton. The series was named The Comedy Film Festival. Advisor: Mr. Covell Christian

CSF, NFL Clubs Were Involved in Many Fetes

THE CALIFORNIA SCHOLARSHIP FEDERATION under the leadership of President Debbie Smart had an active first semester. They had a Rummage sale, participated in the all-school Christmas Tree sale, gave a Christmas party for the senior citizens at the Casa Bonita Retirement home, Tutored students at Western and participated in the ALL Southern California CSF night at Disneyland. THE NATIONAL FORENSIC LEAGUE was involved in both tournament and service club contests. This year three of Western's seniors had the opportunity to participate in the Bicentennial youth debate. Cheryl Adams represented Western in debate, Holly Bedman in persuasive speaking and Sandi Schoales in extemporaneous speaking. NFL participated in both the Veterans of Foreign Wars Broadcasting Contest and the Lions club student Speaker contest. The clubs acting President was Sue Sulatycki.

Two of the most important student organizations on campus during the 1975-76 year were SAC and ICC.

The Student Advisory Committee completed its second year of existence, having been formed in mid-year of 1975 by Westhi principal Verne Horton for the purpose of better communication with different groups. Its members were made up of a cross section of the student body to insure different opinions and ideas.

Some of SAC's accomplishments this year were the Clean Campus Campaign and helping to solve vandalism on campus.

The Inter Club Council consisted of presidents and vice presidents of all clubs. President Sandi Schoales led the students in planning the Bicentennial Fair, Spirit Week, the Side Hawks dance and other events.

One of the oldest clubs on Westhi's campus, the American Field Service, and a new organization, the Ski Club, were involved in activities that kept their members working on meaningful projects.

The AFS promoted its annual Bond and Slave Sale in order to raise funds for foreign students who are assigned to Western. This year's foreign student was Vibeke Lie of Norway.

During the Christmas holidays, the Ski Club joined the National Explorers Club to visit and ski on the world famous slopes of Utah. More than 80 students were interested in the new club, but expenses for ski trips held the number of skiers to about 10 for the Utah trip.

Homecoming 1975 was one of the most original and successful ever to be held in Western's history. Thursday, October 9, and Friday, October 10, were filled with excitement and a football victory that set a happy mood for the dance that followed the game.

The coronation was held Thursday in the Girls' Gym. Jane Fee set the mood by singing the theme song, "The Hands of Time," followed by the spectacular performance by the Western Band, Flags, Drill Team, and A Cappella Choir.

Then finally the suspense was broken with the announcement of the 1975 Royal Couple, Queen Dorothy Almia and Royal Escort Ron McElroy. The princesses were Jill Twardowski, Sandy Munger, Cathy Chodkowski, and Sue Choti. Escorts were Steve Cervantes, Tony Campbell, Terry Hess and Rick Ortiz.

The Queen and her court were presented at halftime ceremonies Friday of the Pioneer-Los Angeles football game, which the Pioneers won, 13-0. Following the game, ASB sponsored the annual Homecoming dance, where the rock band Sage performed.

Pioneer Band & Flags Celebrated a Year of Success

This year's Band and Flag unit, under the direction of Mr Tom Hrbacek, was one of excellence

Early in the year, Western had the privilege of being the only school band to participate in the Disneyland Parade, presented for Emperor Hirohito of Japan which was quite an honor. They were also in Disneyland's "America on Parade" shown on television

Aside from the Band's special events were the traditional halftime performances at all of the home varsity football games and in halftime competition at CSULB, the Pioneers

marched off with a first place trophy.

They were also invited to march as the host band in the Silverado Days Parade and during the month of April they spent a weekend in National City where they participated in a parade and had lots of fun. Another highlight of the year was when the flags received the first place trophy at Drillteam USA

Hard work and many hours spent by each Band member resulted in many superior performances.

Mr. Encheff-Choir director
Right Piano player-Laurie Larkey

This year A Cappella put much time and effort into fund raising for next year's trip to Hawaii. They did this in various ways, such as Saturday swap meets, raffle tickets, and filing insurance forms for All State.

December was still a busy month for A Cappella with all the excitement of the Christmas Tree. The Singing Christmas Tree gave concerts at shopping centers, churches, Disneyland and also did a spectacular job at Holiday in Music. The 1975-76 A Cappella under the direction of Mr. Alex Encheff had another outstanding year

The varsity Cheerleaders put forth a fantastic effort in promoting Pioneer spirit this year.

Their year actually started last summer when they attended a cheerleading camp which they received an award of excellence. They also had daily practices during the summer to prepare and perfect their unite for the upcoming year. The time and effort put in by each girl really showed at assemblies and sports events where the Cheerleaders let everyone know what pride was all about.

JV Cheerleaders Were Full of Enthusiasm, Pep

The 1976 J V Cheerleaders aided the Varsity squad during Homecoming as well as supporting all of Western's J.V. sport teams. Lori Woodhouse was this year's head J V cheerleader and, along with the others, put in many hours of hard work.

Long before school began, they were hard at work practicing their cheers in preparation for National Cheerleading Association (NCA) Camp held at La Jolla. Once there, they won four Superior blue ribbons, a Spirit Stick, and were picked to compete for the NCA Award of Excellence.

Promoting spirit, pride and accomplishment, they helped cheer the Pioneers on to victory.

The 1975-76 Songleaders did a tremendous job of promoting Pioneer spirit through dance and cheer routines this year

They spent much of their summer learning new dance skills and preparing for a year full of assemblies, skits and sports events. They attended all varsity sports and were always there to urge our team to a victory. The Songleaders under the direction of Mrs. Griffith deserve a big Congratulations for a job well done

A Light and sound show, a Hypnotist, a group of gymnasts and a co-ed volleyball team from CSF were all part of the line up in 76's assemblies

Both Cheryl Harp and Denise Davidson were the backbone of these smooth running and very successful assemblies. They spent many hours in the planning and preparation of these events.

Or could it be Wendy Price?

‘Stars & Stripes and Silhouettes’ was Spring Show Theme

The Western High Silhouette Drill Team began its busy year by performing in a summer fireworks spectacular on July 4th with several other drill teams in the district who were given the title of “Official Bicentennial Drill Teams.” Also during the summer the Silhouettes performed in two Los Angeles Ram half-time game shows. During the Pioneer’s football season they participated in the Western home games.

Aside from their many special events the Drill Team marched in many parades and received numerous awards. The Silhouette upperclassmen had the privilege of performing at the Homecoming coronation ceremonies and at various pep rallies throughout the year

Small Precision performing at pep assemblies

In December the Silhouette Drill Team was invited to participate in the music extravaganza "Holiday in Music" Anaheim convention center in which they performed three specialty routines to songs taken from the Nutcracker Suite. Tall Flags and Small Precision attended Miss Drill Team USA competition and a California High School competition where the Small Precision team took fourth place.

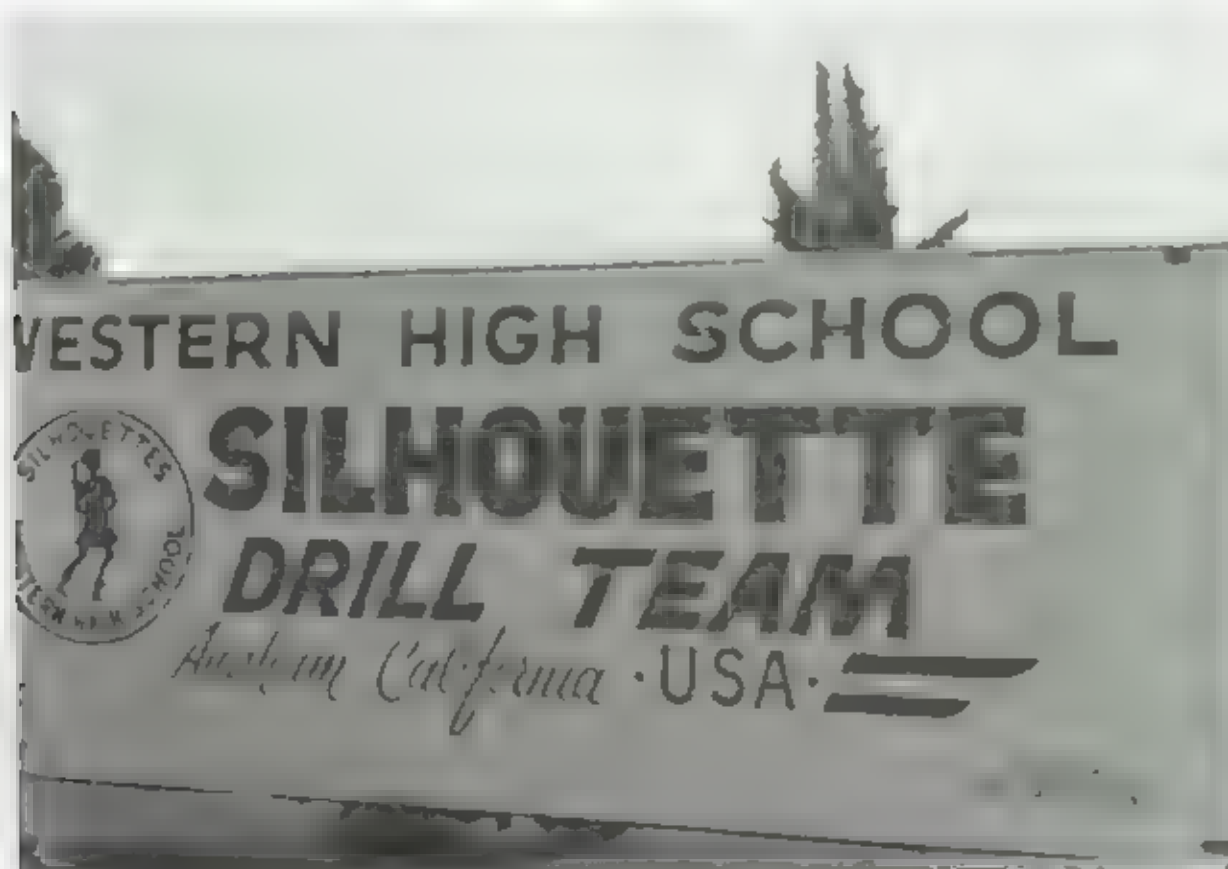

In April, the Silhouettes performed for the Special Olympics at Fairview Hospital.

In May, the Silhouettes staged their 19th annual Spring Show with this year's theme "Stars, Stripes and Silhouettes."

Planned for the summer of 1976 is a Bicentennial trip in which many members of the Silhouette Drill Team will travel and perform in many states across the U.S.. The Silhouette Drill Team has successfully taken a busy year and turned it into a fantastic memory.

1976 was filled with many special events such as Country Fair, Homecoming, Christmas Formal and the Junior-Senior Prom. However, Spirit Week was the one event that all Pioneer's can look back on with broad smiling faces. It was a fun filled week of hour long lunches, contests, a slave sale, and the Sadie Hawkins dance which ended the week

Each class had an assigned day to dress up and provide the noontime activities. The sophomores started out with their very own

fifties day and during lunch many were seen hoppin' around or chewing on a piece of bubblegum. The juniors took over day two and the whole class of '77 took their bananas and went Polynesian. On the third day, the class of '76 all got together for a levis, hat and tie day and at lunch many seniors received awards for their great costumes.

All in all, it's more than safe to say that this year's Spirit Week was one of the finest and the over-all student body participation was fantastic.

During Christmas, the Western Pioneer Thespians presented a delightful play for children's theatre about a family of mice. The play entitled "The Mouse that didn't believe in Santa Claus." Sharon Westbury directed the play and was responsible for it's big success. Advisor Mr. Doug Phelps also did a fine job of leading and advising the group

The Bicentennial year for the Pioneers was recorded in history by the publication staffs of the Pioneer news magazine and Yearbook

The Pioneer news magazine format was used for the first time in Westhi history. Ernie Chavez and Bob Zapotosky were the editors

The Yearbook changed it's publishing dates in order for the Yearbook to be delivered August 1 or thereof. The change was beneficial because it allowed the staff to include late events such as the Junior/Senior Prom, the Country Fair and complete sports events.

The ASB Cabinet was composed of 12 different cabinet members, each with his or her own duties and responsibilities. This year's Cabinet set out to prove that "With Pioneer Spirit Anything could be Accomplished."

During Christmas ASB sponsored the Christmas Tree sale which turned out to be one of the biggest fund raisers in Western's history. They were also responsible for the traditional Homecoming, Spirit Week and Country Fair which were all large successes.

When there is time for just talking, it is easy in between periods. Most people will be seen talking and laughing with each other until the bell rings, reminding them that class has just begun, though for others it is a hurry time, with no space to relax. But whether students have the time or not, it breaks the routine of classes with a breath of first air.

Heroes of Campus Life

Graduation is the ultimate goal of every Westhi student. Without the help of an administration and counseling staff, the road to graduation can be very difficult, indeed. The administration and counselors were the unsung heroes of campus life with their work and compassion for each and every student.

One highlight of the administration's year was showing Dr. Wilson Riles, the State Supt. of Instruction, Westhi's new media center and Forum for possible use in the future RISE program.

Last but not least was the departure of Mr. Herbert Roesener, who left the Pioneer campus after eight years to take over new duties at another high school.

Prior to graduation, Mr. Roesener and Mrs. Ann Spencer, Westhi nurse for 20 years, were honored in the Senior breakfast. Mrs. Spencer retired.

Who plays the biggest part in the future lives of Western students? The Classified personnel, of course. Without the help of these dedicated people, students would never have a record of their sojourn at Western High School. These people helped by keeping records, correspondence and maintaining some orderliness in a time of need. Not enough can be said for the custodial staff that worked from 3 p.m. to midnight to keep the classrooms clean and ready for day-to-day instruction.

The Media Center was the focal point of academic learning and was literally a storehouse of knowledge in books, on films and recordings. The Media Center completed its first year of use without construction. It was the showplace of the ACHSD, with many faculty members from other schools visiting the Western center for perusal.

Like most things, everything must come to an end. Such was the circumstance of Mrs. Avis Spencer, Western's very efficient nurse during her 20 years in the ACHSD. She retired at the conclusion of school. Thousands of Western students were the recipients of first-rate medical knowledge and treatment from Mrs. Spencer. She deserved her retirement for the many years of faithful service. She had no peers, she was in a class of her own—a "queen of medicine."

Man's increasingly complex civilization requires more extensive knowledge of computation, foreign languages and English. This was the idea behind the instruction in Western's Business, Foreign Language and English departments

Many techniques were used to foster better instruction. The Business department used computers, films and many field trips to broaden the knowledge to its students.

Trips to many restaurants in the Orange County and Los Angeles areas were designed to have students sample the food and learn the menus of different nationalities.

Health and exercise were the key words for the boys' and girls' athletics programs. The Health and Drivers Education departments added dimensions to the student's learning by teaching good health habits and skill in driving a car

This year signified a change in the girls' athletics, they were restructured as the Girls Interscholastic Sports program of the AUHSD. A new league was formed-the Anaheim League. The girls competed against other district schools and the funding of such programs were changed from student body funds to direct funding from the AUHSD

BREE-DIMENSIONAL DESIGN

Learning by doing. That was the instructional goal of the teachers in art, music, industrial arts, drama, photography, homemaking, plant horticulture, electronics, printing and auto repair. Whether it be by the hands, stage appearances or clicking a camera, 16 Westhi teachers presented a varied program to give the student practical experience.

An innovation this year was the beginning of a plant horticulture class that saw students planting and harvesting food plants in the Biology court under the watchful eye of Ms. Kathy Cummings. The food staples were sold at the County Fair, or the students served them at dinner tables throughout their homes.

Finishing with a solid 7-1 record and second place in the AUHS District league, this year's GIS tennis team proved to be full of potential. Outstanding players in the singles category were sophomore Terri LeBleu, Karen Mahler and Dru Lirios. Outstanding doubles included the couples of Donna Jo Panicko and Cindy Klein along with Beth Chase and Mary Kleindianst. Beth and Mary finished third in the district tennis tournament doubles division. Outstanding sophomores were Laura Panicko and Kathy Stokes.

This year's varsity and j.v. volleyball teams were coached by Ms. Owayne Gregory and Ms. Becky Allee, respectively. The varsity league record was 3-5 while the j.v.'s finished with a rather disappointing 2-6 record. Standouts on the varsity level were Virginia Oliver (selected to CIF All-Star team), Mary Harless, Diane Ranalli, and Sue Franklyn. J.V. players who showed great potential were Margie Love, Denise Davidson, Juli Wise, Cheryl LeBlea, Cindy LeBlanc and Patty Timcho.

GIS Intramurals Coupled Fun With Competition

This year, the Girls Interscholastic Sports program, formerly known as the Girls Athletic Association, was formed. Having received funds from the district, the new GIS program was divided into two basic groups: one was the competitive level containing varsity and junior varsity teams in virtually all sports, and the other which consisted of intramural teams competing against each other rather than against other schools.

The intramural aspect of the GIS program was

Suzanne Whittingham tries a push pass

Shirley Tiger and Gina Belsito tackle Dana Wisecup for possession of the ball

Sara Tovar kicks backward

Defense training: Nancy Cowan runs a fullback sweep around the back of teammates Allison Gunn and Tracy Ruland

widely participated by most everyone in GIS. Each day, the intramural classes met during sixth period to participate in the various activities offered; which included, volleyball, basketball, field hockey and flag football. Then on Wednesdays of each week, the teams stayed after school to compete against each other, eventually showing which team was the best. Overall, the major purpose of the new intramural program was to combine fun with sports.

With increasingly difficult competition, this year's Varsity Basketball team, led by coach Becky Allec, found the Anaheim girls C I F league much tougher than in recent years. The overall season record was 8-6. Among their victories, the varsity girls managed to defeat second ranked Katella in addition to thundering by several teams in the tougher Fullerton Hills League.

Starting for the varsity squad were forwards Margie Love and Sue Campbell, centers (and co-captains) Denise Davidson and Juli Wise, and guard Cindy LeBlanc. In addition to a "vivid" starting line up, the team also contained several very strong players coming off the bench including Lorri Gillet, Tymerie Caervo, Sue Rooke and Diane Tinkham.

Among their assets, the team combined height and many fine shooters. Top scorers were Denise Davidson averaging 20 points per game, followed by Juli Wise and Margie Love. Juli was also elected to the girls C I F All Star team. Losing only 2 players with graduation, next year's varsity team will most certainly be among the top.

Suffering from a severe lack of experience, the GHS junior varsity basketball team, under the coaching of Ms. Becky Allee, ended the season with a disappointing league record of 0-8. In spite of their record, the team had many assets among which included a fine attitude, good hustle, and an overflow of spirit. In addition, many fine players surfaced giving hope of a fine team with increased experience for next year. Outstanding players included sophomores Reyna Rosas, Terri LeBlanc and Felicia Oliver along with juniors Dru Lirios and Donna Dameron. Other JV players included Marlene Fahlen, Lisa Fiola and Sandy Masuda.

Swimmers Had CIF Hopefuls

This year, the GIS Swim Teams were plagued by too few swimmers that comprised the teams, causing them to do poorly in league meets. However, the teams contained many outstanding performers on both the varsity and junior varsity levels. Varsity swimmers Jonell Fick and Christy Thomas gave outstanding performances in the 500 yard free and the 200 yard free, respectively. Clarrisa McGrady and Janis Brown were two strong all-around swimmers and proved invaluable to the team. In her first year of swimming, Julie Bennington showed outstanding improvement and was one of the JV's strongest freestyle swimmers. In addition, Helen Siddall and Lynda Mazzari were standouts in the 50 yard back and 100 yard individual medley. Upon the season's completion, Christy Thomas and Jonell Fick were both possible qualifiers for the CIF meet.

The 1976 GIS Badminton team was, as in recent years, extremely strong. The Pioneers captured first place in the Anaheim Girls City League. Coach Ms. Jenny Sammons said "I expect the team to go unbeaten this season". Singles standouts were Donna Jo Panicko, Diane Ranalli, and Linda Peralta while outstanding doubles included the teams of Sandy Masuda and Dru Lirios, Colette Beatty and Cindy Klein and Janice Morrissey and Bambi Mazer.

Varsity Team Made Bid for Loop Championship

The 1976 GIS Varsity Softball Team fell to a disappointing league record of 3-5 after starting the season by winning their first 3 contests. Varsity returner Karen Rish earned the starting position as pitcher, and in her first three starts she struck out 20 batters. Catcher Cindy LeBlanc was another valuable returnee to the varsity team. Other varsity standouts were infielders Linda Broadman, Nancy Cowan, Juli Wise, Lisa Thompson, and Kim Sherran. Center-fielder and second base comprise Gina Belsito proved to be a very strong asset not only in the field but also at bat as she led the team with a .467 batting average coupled with an on base average of .733. Outfielders Sue Campbell and Tracy Ruland added the extra punch necessary for a strong Pioneer team.

Peering through a year of sports mediocraty here at Western, the GIS Junior Varsity Softball team forged through its season undefeated achieving a league record of 6-0 and of course the league championship. Comprising perhaps the strongest J.V. softball team ever at Western were Sue Rooke, Rhoda Evans, Sandy Helne, Jennie Douth, Tymerie Cuervo, Sharron Franklyn, Jean Thornton, Vicki Kerr and Karen Mahler.

Two pre-season victories against Savanna and Cypress and an exciting Homecoming win against Loara highlighted the 1975 Pioneer football season. The 1975 gridgers were the last Pioneer team to play in the Sunset League. Starting in 1976, Western will compete in the Freeway League.

Quarterback Terry Hess led the Wishbone offense employed by the Pioneers. Using the pass sparingly, Hess ran the ball often, collecting a total of six 100 yard games in the process. When not carrying the ball himself he could hand off to a string of fleet running backs, including Ron McElroy, Rick Fleager, and Leroy Ramirez.

Several individuals stood out on the Pioneer defensive unit Britt Bell was the scourge of the Sunset League, and established a school record by accumulating 15 lead tackles against Marina. Accompanying Bell were Roger Veale, Tony Campbell, Leroy Ramirez, and Rick Fleager, all who put forth strong efforts all season long.

This years sophomore football team, suffering from a lack of experience and again hampered with the burden of the Sunset League, fell to a disappointing 0-9 record at the conclusion of the 1975 grid season.

The sophomore team, in spite of their setbacks, had many outstanding features. One of these was the sophomore coaching staff. Headed by coach Jack Pattison, other coaches included Art Armijo, Mike Fleager, and Neil Sweihart.

Although coach Pattison is quick to say that virtually every player was an asset, throughout the season several players displayed great potential. Offensive standouts were Glen Irwin, Jim Gage, Jim Everett, Doak Krause, Jeff Wieland, Ron Locke, and Mike Daugherty. Defense was highlighted with the performances of Bill Thomas, Mark Tornburg, and Joe Audett. Coach Pattison summed his team up by adding "The team was a group of great kids with OUTSTANDING attitudes."

Football season concluded with the annual pioneer football awards banquet. Award winners were Mike Daugherty and Doak Krause, co-captains; Jeff Wieland, most valuable lineman; Jim Gage, most valuable back; and Ken Cregar, most improved

Although the record may be deceiving, the sophomore gridgers are to be commended for their continual effort and their unmistakably outstanding attitude. With such admirable qualities, the class of '78 will most certainly prove to be a true asset to pioneer grid teams of the future.

The Varsity Water Polo Team, coached by Tom Grimm, completed its best season in recent years. Though the Pioneers finished with a 7-13 record, it was all the more remarkable considering they faced the toughest Water Polo opposition in the Southern Section C-1-F (the Sunset League).

Led by senior captain Jim Proffit, the Pioneers were fairly successful against their non-league opposition. But their hopes were dashed when matched against tough Sunset League opponents.

Swimming hard for the Pioneers all year were seniors Jim Proffit, John Bartnikowski, Steve Edmunds, Howard Hodis, Bill Foster, and Evan Jackson. Rounding out the varsity team were juniors Dave Lippiatt, Grafton Weiss, Bill Kahoun, George Reilly, Bob Taylor, Steve Strum, Matt Ezell, Mike McCoy, Fred Siddall, Bill Armstrong, and sophomore Jim Armstrong.

Western High School's Cross Country Team was a successful one. Coached by Joe Carlson (an excellent runner himself) the Harriers ran to a 5-4 season and fourth in Sunset League standings. The Pioneers also fared well in the many tournaments they ran in, taking second in A.U.H.S. District, and third at Mt. S.A.C.

Standing out for the harriers this year was team co-captain Mark Miller. Mark was the number one runner all season. He was the A.U.H.S. District meet champion, won his race at Mt. S.A.C., finished third in Sunset League finals, and took thirteenth place in C.I.F. Finals held at Mt. S.A.C.

Scoring for the harriers all season were seniors Mark Miller and Moses Johnson. Joining them were juniors John Martens and Austin Fernald, plus sophomore Steve Wimer.

Soccer Ends First Year As CIF Team

Soccer came to Western's campus for the first time as a club during the 1974-'75 school year. But with increased popularity, it evolved into a full fledged team sport as it was accepted into CIF for the 1975-'76 season.

Coached by Westhi math teacher Mr. Nickita Orloff, the Pioneers ran up a 2-10 league record; quite an admirable feat for such a young team. In addition, there were many exceptional players on the team. Standouts were captain Shaun Andrews, Roland Ramirez, Elio Ramos, Manuel Jimenez, John Berlin.

in Last Sunset Loop Season

The 1975-'76 basketball team knew the Sunset League was going to be a rough one. And rough it was. The Pioneers came out with a disappointing 2-12 record. But the Pioneers did win two of their last three games by upsetting Los Al 60-58, who the night before had beaten topranked Marina, and whipped Newport Harbor

It was a long season for the Pioneers and their coach, Marvin Blemker, but they showed their true spirit by never giving up. Led by several fine shooters, guard Kenny Goodwin (captain), forward Lloyd Johnson (with a 14.6 per game average. Lloyd also made second team Sunset League), forward Mark Saucy (with a 48.1 shooting percentage from the floor and a 69.1 percentage from the free throw line), and center Randy Lowenberg, they battled every game to the very end. Rounding out the Varsity team were guard John Thompson, forward Mike Crail, and guard Masahiro Iwaguchi.

Other varsity wrestlers included seniors Dan Chasse, Ken Fukino, Brent Sumrall, Larry Watson and Don Nishakawa. The junior varsity team also posted a 1-6 mark for Coach Nichols.

Coach George Petermen led the sophomores to a respectable 3-4 record. Standouts included Tim Carrol, Pete Vodden, and Kit Hutchinson.

The 1976 Track team—coached by Joe Carlson, Carlin Coflman, and Rod Cuervo—proved to be stronger and faster than last year. Although the Pioneers were much improved, they suffered a number of close losses.

The most outstanding athlete was Kevin Cuervo who vaulted 14 feet 10 ³/₄ inches and jumped 6 feet 7 ³/₄ inches as this article went to press. In addition to Kevin there were team captains Moses Johnson, Britt Bell and Scott Brunner to lead the team. Other Outstanding Seniors were Allen Crow, Sunset League Champion in the hurdles, and Mark Miller in the Distances.

Juniors who indicate better things to come next year were Chris Hart (13-6 in pole vault), Harvey Horsey (School Record-44-6 ¹/₂ triple jump), Jeff Ortiz, Mike Okura, Pedro Contreras, Rick Alvarado, John Martens and Austin Fernald.

The Sophomore team was led by Dave Locanto, Jim Postuma, Dwelly Crofoot and Sophomore record holders Tony Danna (40-11 triple jump) and Steve Wimer (9:56.1 two mile)

The track team also had an outstanding female performer in Junior Lori Blanco who had a seasonal best of 2:18.8 in the 880 yd. dash going into the C.I.F. qualifying meet

The Varsity Tennis team went through a year of rebuilding with only three seniors on the varsity team. Two bright spots on the team were junior Tom Brannon (number one man) and senior Oscar Soto (number two man).

The junior varsity team suffered from the same problem as did the varsity — lack of experience; but there were two

outstanding j.v. players — sophomores Lowell Beilman and John Warren.

With all but three of his players returning next year, Coach Robert Fieldhouse can look forward to a very good year.

Swimming, Golf Teams: Individually Strong

The Varsity Swimming Team faced the awesome task of having to swim in the Sunset League, the fastest league in the United States. The Pioneers came out with a 2-5 record, 5-7 overall. The Varsity Team was headed by captain Howard Hodis and seniors Jim Proffitt and Bill Foster.

The Sophomore Team fared about about as well as the Varsity, 1-6 in league (11-8 overall). The sophomores were led by captain Mike Wallace plus Carrie Smallwood and Pete Holton.

The 1976 Golf Team was coached by George Roussos. The team was hurt by a lack of personnel and started out 4-1. The 16 Club members had only five players out for this year's teams.

Varsity players were Mike Crank, Dayna Benson, and newcomer Jason Weiss. The JV Team was composed of six players, including David and Colin Bell. Not doing for the Players were Mike Crank and Dayna Benson. Dayna Benson, an excellent player, was the 1976 State Junior Girls Champion for 1976. Third year letterman Mike Crank finished 1st at the Northern District and 2nd at C.I.F. Team scoring 48 for 56 holes in C.I.F. playoffs, finishing second. A time consuming Mike had a good chance of making the State Championships. With more participation, Coach Roussos can look forward to a better year in '77.

The 1976 Varsity Baseball team, under the coaching of Mr. Jack Pattison this year attained an overall record of 11-10 and a league record of 6-5 according to statistics available at time of publication

As explained by Coach Pattison, the team had a group of outstanding young men with a desire to excel

Varsity standouts were seniors Terry Hess, Rick Ortiz, Naboaki Yamamoto, Ron Sauer, Keith Ahrens, and Mike Alter in addition to juniors Shane Cranton, Kevin Reilly and Dave Evans

JV Team Spent Year on Diamond Skills

Western's Junior Varsity Baseball Team suffered through a disappointing season, but managed to have good time in spite of it. Coached by Art Allen, the JV businessmen worked busily at the hard time they had in preparation for next year's Varsity team.

Putting in strong performances in the Central State League competition were Grant Bennett at first base, Dale Fisher in left field, Luther Miller at shortstop and pitcher Kevin Reddy.

By all pre-season indications, Western's Sophomore Baseball team could've been in contention for the Sunset League title. They posted a 5-0 won-loss record in pre-season competition but were 5-8-1 in Sunset League play.

Couch Thomas pointed out that a lack of consistency hampered this otherwise exceptionally good team.

Several batters had strong performances during the season: J.B. Everett at first base, Ron Fagan at second base, Anthony Dana on the mound and Doak Krause behind the plate.

Just You and Me:

This year's Junior-Senior Prom was more than exciting, more than successful. It was even fantastic. The Prom was held at the Holiday Inn in Fullerton. The band Liberty Four not only played a wide variety of music but played it well.

This year's Queen was Holly Beilman and the King was Roger Davis.

This year's Junior Class decided on something new, a Princess and a Prince. That worked well, also.

Regina Riley was crowned Princess and David Evans was crowned Prince.

Over all May 15th will be an evening that will be well remembered by those who attended.

Denise Davidson, Sandy Schoales, Moses Johnson Received Top Awards

Student Awards

Denise Davidson, commissioner of activities and very active in many different organizations, was named Student of the Year at the annual Service Awards banquet held May 27 at the Le Taux Restaurant in Hollywood.

Denise and 50 outstanding students for the 1975-76 school year were treated to a French-style dinner and a stage show at the Ahmanson Theatre. After dinner, top award plaques were given to Denise, Sandy Schoales for Senior Girl and Moses Johnson as Senior boy.

Active in both the Pioneer publications—yearbook and newsmagazine, Denise was a star basketball player and planned many activities, in addition to publishing the daily bulletin. She was one of the most dedicated students ever to attend Western High School. She plans to attend California State University at Fullerton. At Westhi, she had a 3.5 and above academic average.

Moses was a sports writer for the newspaper, a track star and an excellent academic student. He plans to attend Calif. State University at Long Beach.

Other banquet awards were given to Tess Roxas, Sophomore girl; Kevin Cadabona, Sophomore boy; Melissa Peters, Junior girl; Tom Brannon, Junior boy; Dave Vasquez, special recognition; and Cheryl Harp, director's award.

Athletes of the Year

This year's athletes of the year were Mark Miller and Terry Hess. Mark was an active member of such sports as Varsity Cross Country, Soccer and Track, of which he earned varsity letters in each. Terry was involved in Varsity Football (he was named to the all-CIF team) and the baseball club.

Perhaps one of the most outstanding athletes on the Westhi campus this year was junior Lorri Blanco. Lorri was a member of the Western Track team, where she specialized in the 80-yard run. Among her accomplishments, she managed to acquire a first place finish in the girls' regionals, in addition to a fourth place finish at the Masters Track Meet. Her fourth place finish at the Masters Meet qualified her to travel, expenses paid, to the State Track Meet which was held in northern California in early June.

Girls Athlete of the Year went to Denise Davidson. She received her award at the Senior Breakfast.

Pioneer Band

At the annual awards banquet, Kevin Cadabona and Jim Moseman received the Outstanding Sophomore awards. Outstanding Junior—Dave Evans. Outstanding Senior—Ann Borja and Angie Giovannetti. Banner/Flag award—Linda Acker. Service Award—Lisa Metcalf. Jazz Perry D'Armond. Most Improved—Rick Hernandez and Brian Olinger. John Philip Sousa Award—Rick Kennedy, for the most outstanding band member.
